

I offer my expertise to participate as a Partner in a Horizon Europe Project

I am planning to coordinate a project and I am looking for Project Partners

#### TOPICS OF INTEREST

- Social and Economic transformations;
- Innovative research on Social and Economic Transformation;
- Gender and social, economic and cultural empowerment:
- Promotion and dissemination of Ethical and Solidarity Finances in Portugal;
- Development of monetary instruments that allow an economy that works for people;
- Public policies that allow alternative and solidarity finances in Portugal.

#### PARTNER INFORMATION

FESCOOP, which is the Cooperative for the Development of Ethical and Solidarity Finances, was founded on 26th November of 2016, with 82 members. Currently, after 4 and a half years, there are already 122 members, including Third Sector entities, business entities and people from different backgrounds and fields of expertise, with intervention in different civil society projects.

FESCOOP was founded with the principles and values of the Social and Solidarity Economy:

- Predominance of common interest and general interest over individual interest;
- The main objective is not profit (or lack of profit), but solidarity and cooperation objectives;
- Primacy the person over capital;
- Democratic management – “One person, one vote”;
- State autonomy concerning the management and internal decisions of the institutions;
- Voluntary membership.

And was created with the mission of enabling people and collective entities, whether cooperatives, NGOs or companies, to place their savings or resources at the service of social, environmental and cultural matters. In other words, putting Their savings or resources at the service of the common good, which translates into:

- Affordable financing for socially and/or traditionally excluded sectors;
- Rescue of indebted families and companies;
- Support to social sector entities;
- Support for job-creating business projects, under decent work criteria.
