Who are we?

Lucian Blaga University of Sibiu is a higher education institution from Romania (widening country). LBUS has 9 faculties and 24 research centers from various fields of science. The Economic Research Center is part of Faculty of Economic Sciences and its mission is to contribute to the development of excellence in economics.

The Economic Research Center promotes fundamental and applied research in the field of economic sciences, placing special emphasis on the interdisciplinary and transdisciplinary approach of international topics. Economic Research Center has over 30 members, each member has expertise in different fields of economic sciences (private and public finance, global economics, marketing, statistics, economic informatics, business administration, tourism, taxation, financial analysis, accounting, all types of management etc).

What can we offer to potential partners?

Expertise for the following research directions

- Information and communication technologies (ex. digitalization transformations)
- Europe in a changing world (ex. green deal, circular economy, bio-economy)
- Science with and for society (ex. social and economic transformations)
- Innovation in SME's (ex. industry, tourism, agriculture, resilience etc)
- Health, demographic change and wellbeing (ex. migrations)
- Public administration (ex. public institutions, public policies, public finances)

Possible call topics
