 In this step you can edit the Administrative Forms and upload the proposal and its annexes. You may return to this step from the 'My Proposals' section of the Funding & Tenders Portal.

 Submit your proposal as early in the process as possible - you can update and resubmit an improved version many times before the call closure. Submitting a proposal will overwrite any previous versions of this same proposal - this process is irreversible. Any changes made to the proposal will not be available to the European Commission service unless resubmitted before the call closure.

 Your proposal contains changes that have not yet been submitted.

we may fear less**
