# What is needed from Host Institution?

**Commitment of the Host Institution for ERC Calls 2026<sup>1,2</sup>**

The **applicant** fill in here the name of the legal entity that is associated to the proposal, and may host the principal investigator and the project (action), in case the application is successful<sup>3</sup>, which is the applicant legal entity.

confirm its intention to sign a supplementary agreement with **applicant** fill in here the name of the principal investigator<sup>4</sup>

in which the obligations listed below will be addressed should the proposal be retained.

**Performance obligations of the applicant legal entity (Host Institution) that will become the coordinator of the HE ERC Grant Agreement (hereafter referred to as the Agreement), should the proposal be retained and the preparation of the Agreement be successfully concluded:**

The applicant legal entity (Host Institution) commits itself to ensure that the action tasks described in Annex 1 of the Agreement are performed under the guidance of the principal investigator who is expected to devote:

- in the case of a Starting Grant at least 50% of her/his working time to the ERC-funded project (action) and spend at least 50% of her/his working time in an EU Member State or Associated Country;
- in the case of a Consolidator Grant at least 40% of her/his working time to the ERC-funded project (action) and spend at least 50% of her/his working time in an EU Member State or Associated Country;
- in the case of an Advanced Grant at least 30% of her/his working time to the ERC-funded project (action) and spend at least 50% of her/his working time in an EU Member State or Associated Country.

The applicant legal entity (Host Institution) commits itself to respect the following conditions for the principal investigator and their team:

- host and engage the principal investigator for the whole duration of the action;
- take all measures to implement the principles set out in the Commission recommendation on the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers<sup>5</sup> — in particular regarding working conditions,

<sup>1</sup> A scanned copy of the signed statement should be uploaded electronically via the [Funding & Tender Portal Submission Service](#) in PDF format.  
<sup>2</sup> The statement of commitment of the Host Institution refers to most obligations of the Host Institution, which are stated in the Model Grant Agreement used for ERC grants (MGA). The [MGA](#) is available on the [Funding & Tender Portal](#). The reference to the time commitment of the Principal Investigator is stated in the ERC Work Programme 2026.  
<sup>3</sup> This statement (on letterhead paper) shall be signed with a legally binding signature (e.g. blue ink or digital signature) by the institution's legal representative indicating their name, function, email address and, in case of blue ink signatures, along with the stamp of the institution.  
<sup>4</sup> Commission Recommendation 2002/211/EC of 11 March 2002 on the European Charter for Researchers and

transparent recruitment processes based on merit and career development — and ensure that the principal investigator, researchers and third parties involved in the action are aware of them;

- enter — before grant signature— into a Supplementary Agreement with the principal investigator, that specifies the obligation of the applicant legal entity to meet its obligations under the Agreement;
- provide the principal investigator with a copy of the signed Agreement;
- guarantee the principal investigator scientific independence, in particular for the:
  - use of the budget to achieve the scientific objectives;
  - authority to publish as senior author and invite as co-authors those who have contributed substantially to the work;
  - preparation of scientific reports for the action;
  - selection and supervision of the other team members, in line with the profiles needed to conduct the research and in accordance with the beneficiary's usual management practices;
  - possibility to apply independently for funding;
  - access to appropriate space and facilities for conducting the research;
- provide — during the implementation of the action — research support to the principal investigator and the team members (regarding infrastructure, equipment, access rights, products and other services necessary for conducting the research);
- support the principal investigator and provide administrative assistance, in particular for the:
  - general management of the work and their team;
  - scientific reporting, especially ensuring that the team members send their scientific results to the principal investigator;
  - financial reporting, especially providing timely and clear financial information;
  - applications of the beneficiary's usual management practices;
  - general logistics of the action;
  - access to the electronic exchange system;
- inform the principal investigator immediately (in writing) of any events or circumstances likely to affect the Agreement;
- ensure that the principal investigator enjoys adequate:
  - conditions for annual, sickness and parental leave;
  - occupational health and safety standards;
  - insurance under the general social security scheme, such as pension rights;
- allow the transfer of the Agreement to a new beneficiary, if requested by the principal investigator and provided that the objectives of the action remain achievable (portability; see Article 41 of the Agreement);
- respect the fundamental principle of research integrity and ensure that persons carrying out research tasks under the action follow the good research practices and refrain from the research integrity violations described in the European Code of Conduct for Research Integrity<sup>6</sup>. If any such violations or allegations occur, verify and pursue them and bring them to the attention of the Agency.

## Calls for proposals

Calls for proposals are funding opportunities issued by the European Union institutions, agencies and bodies. These are direct financial contributions, known as grants, that are awarded to third-party beneficiaries (e.g., research organisations, public entities, non-governmental organisations, and private companies) to engage in activities that serve EU policies.

### Gender Equality Plan

Does the organization have a Gender Equality Plan (GEP) covering the elements listed below?

Yes  No

#### Minimum process-related requirements (building blocks) for a GEP

- **Publication:** formal document published on the institution's website and signed by the top management
- **Dedicated resources:** commitment of human resources and gender expertise to implement it.
- **Data collection and monitoring:** sex/gender disaggregated data on personnel (and students for establishments concerned) and annual reporting based on indicators.
- **Training:** Awareness raising/trainings on gender equality and unconscious gender biases for staff and decision-makers.
- **Content-wise, recommended areas to be covered** and addressed via concrete measures and targets are:
  - o work-life balance and organisational culture;
  - o gender balance in leadership and decision-making;
  - o gender equality in recruitment and career progression;
  - o integration of the gender dimension into research and teaching content;
  - o measures against gender-based violence including sexual harassment.

# PhD reference date for eligibility

From WP2023: For ERC Starting and Consolidator Grants the reference date for the calculation of the eligibility period is the certified date of the successful defence (and not the award) of the PhD degree.

[Real Decreto 1002/2010, de 5 de agosto](#), sobre expedición de títulos universitarios oficiales, artículo 3, punto 4

Successful PhD defence date not indicated in the PhD document

- Written confirmation from the awarding institution clearly stating the date of the successful defence

PhD defence not approved, corrections needed

- Written confirmation from the awarding institution stating the date when the corrections were approved

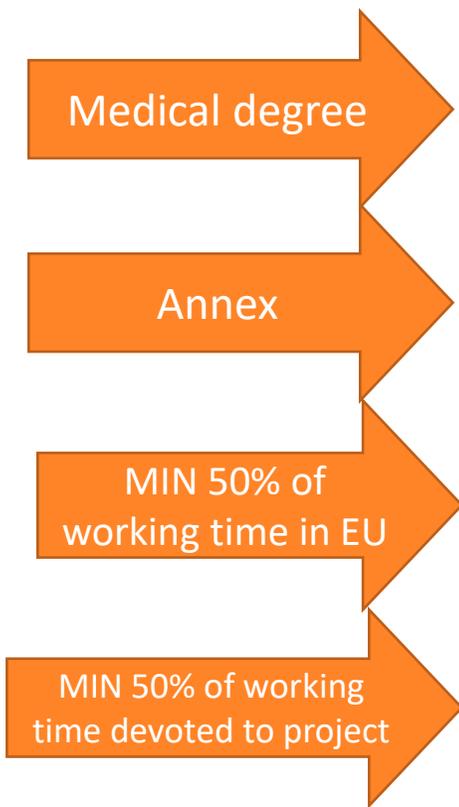

No defence/viva organised in the awarding institution

- Written confirmation from the awarding institution confirming that no defence/viva was organised and stating the date when the PhD thesis was approved
